Inspect This Car

PitchTank Founder Report

PITCH SUMMARY

Inspect This Car is building the first Certified Pre-Owned (CPO) marketplace that fuses the openness of traditional platforms like Autotrader and Kijiji with the trust and security of Clutch. Every vehicle listed is held to the Gold Standard of certification—a 220-point inspection, reconditioning, verified history, warranty options, and a 14-day money-back guarantee. Our capital-efficient model empowers independent dealers and service shops with a plug-and-play way to compete at Clutch's level.

FEEDBACK HIGHLIGHTS

The feedback for Inspect This Car is largely positive, with multiple investors expressing confidence in the idea and pitch. Several investors highlighted the critical nature of the problem being addressed, emphasizing the need for a reliable platform in the car buying and selling market. However, there are concerns regarding liquidity and competition, suggesting the need for a clearer strategy to differentiate from existing players. A few investors also mentioned the importance of a catchy name for consumer appeal. Overall, the startup has garnered interest, but strategic adjustments may enhance its market position.
