FEEDBACK HIGHLIGHTS

The feedback for Spequlo indicates a strong belief in the founding team's capabilities and the potential of the product. Investors appreciate the pitch quality and express confidence in the startup's direction. However, concerns about market fit and competition have been raised, suggesting a need for clearer differentiation and validation of the product's place in the market. Additionally, some investors noted liquidity issues, which could impact future funding rounds. Overall, while enthusiasm is high, addressing specific concerns will be crucial for future success.

I need to see market fit!

(Ahmed king)

Why included: This highlights a critical area for improvement, emphasizing the need for validation of the product's market position.

I don’t believe you need to spend as much time talking about the market. Everyone knows clothes sell. Integration with brands is what is more important.

(Michael Boucouvalas)

Why included: This suggests a shift in focus towards strategic partnerships and brand integration, which could enhance the business model.

Competitors

(Suzanne Grant)

Why included: This indicates a need for a competitive analysis to better position the startup against existing players.

liquidity

(Samuel Madut)

Why included: Addressing liquidity concerns will be essential for maintaining investor confidence and ensuring future funding opportunities.

Too early but promising. Great pitch.

(David)

Why included: This reinforces the positive perception of the pitch while acknowledging the need for further development.
